TOURNAMENT RULES (rules??? Right!)

1. Scramble Format to be played on the course.
 - a. All Players tee off from the tee boxes (men-whites / women, seniors (65 and over) can use the forward tee's.
 - b. The team selects the best drive from all players
 - c. All players whose ball was not chosen as the best shot, pick up their balls and hit from the position the captain picked.
 - d. Continue this format until the ball is holed.
 - e. **There is a bogey limit per hole. Once you are 1 over par, pick up and move on to the next hole please!**
2. There is no minimum drive requirement from each player during the round. (JUST HIT THE BALL AND GET ON WITH IT SO WE CAN EAT!)
3. There will be 2 ***closest to the pin*** contests on hole #5 and on hole #15. The ball must be on the green to be eligible.
4. There will be a ***Long Drive Contest*** for Men on Hole #13 and for the Ladies as well. There will be 2 separate signs for each. The ball must be in the fairway to be eligible.
5. THREESOMES: will have each player hit two shots for six holes. The first player will hit two shots on holes 1-6, the second player hits two shots on 7-12, and the third player hits two shots on holes 13-18.
6. FIVE-SOMES: If you have 5 players on your team, you can only hit each shot 4 times as if you have only 4 players. One player must sit out for each shot so in essence you play as a 4 some and don't slow the play down.
7. Please turn in your scorecards to the pro shop immediately after completing your round. Results can not be completed until all scorecards are in.
8. All teams should keep track of the worst driver in their group and report them to the tournament directors at the end of the game so they can be in the running for that "special trophy and prize".
9. Mulligans are to be used by the players who buy them and cannot be used on any of the SPECIALTY HOLES and ONLY ONE MULLIGAN CAN BE USED ON THE PUTTING GREEN PER TEAM on any hole. TWO mulligans are allowed by each player for a team maximum of 8. ***Don't let it slow down your play...keep up the pace of the game. If you are playing slow, let the group behind you pass by.***
10. There are no duplicate winners for 1st place Gross/Net winners and Last Place gross/net "winners". In the event of any ties in scoring, Team Captains then must THEN HAVE A PUTT OFF ON THE OFFICIAL BUTT PUTT to determine the winner.

Most importantly.....have fun!
